

# MCCEW Dutch Rally

**Hunzedal Holiday Park  
Borger, Drenthe, Holland  
16 - 25<sup>th</sup> June 2020**

Dear all,

Please find attached the proposed Dutch 2020 Rally campsite/park for your perusal. It ticks all the boxes having most of the requirements for a good rally.

It is about 310 miles from Calais in the Drenthe north/east region of Holland just outside of a village called Borger. From ferries it's 162 miles from The Hook of Holland or 147 miles from Rotterdam. Hunzedal park is within walking distance to the village of Borger. There is also an ALDI about 1 mile down the road and also a walking path from the campsite to it together with cycle tracks everywhere.

It's a holiday campsite with 80 full service pitches for those that require them with 6 or 16 amp electricity plus another 200 standard pitches with electricity only. Groups are acceptable up to 25 units - **so if interested let me know as soon as possible** as the deal is for a minimum of 15 units.

The downside is that, being a holiday campsite with most facilities, it is a bit pricey compared to last years. For June 2020 the pitch prices are - Standard pitch with 6 amps electricity £22.50 or [16 amps extra charge], Full service £27.50 with 10 amps, all prices are plus local tax. Although listed in the ACSI book, these prices are because we are on better quality pitches as a group.

Should motorhome users require a hard standing there are 20 of them, but they are away from the main group and cost a little extra.

They are prepared to keep us in a group where possible and let us use their restaurant and facilities for group meals and pools, etc. if required.

Please email as soon as you can if wishing to go to the rally and also, should you require extra nights at the campsite.

My best wishes to all.

Ian Charlton
